

## CORRIGENDA IN VOLUME XXXVIII

Page 2, line 15. The first report of *Gastrodicoides hominis* in Burma was made, not by Dr. LeRoux (1962) but by Dr. R. B. Griffiths, FAO Regional Veterinarian for the Far East, in FAO Report 684 : *Report to the Government of Burma on Parasitic Diseases of Livestock*, FAO, Rome, 1957. He found the parasite in a pig at the slaughterhouse at Yawnghe near Inle Lake in the Shan State.

Page 97, line 11 and page 104, line 30 for "Columbia" read "El Salvador".

Page 97, line 11—for "Dr. H. Marikelle" read "C. Marinkelle".
