CATALYST

cat-a-lyst *n.* 1. that which causes activity between two or more persons or forces 2. a cutting-edge synthesis of contemporary classical music, avant-garde performance art and alternative media that is at once challenging and accessible

the **new music** label

09026 61916 2/4

james macmillan veni, veni, emmanuel*

after the tryst*
"...as others see us*..."
three dawn rituals*
untold*

evelyn glennie percussion
scottish chamber orchestra

jukka-pekka saraste
& **james macmillan** conductors

* i am convinced that the success of **gorcecki's third symphony** and of **tavener's the protecting veil** with a broad public reflects a widespread eagerness to find a spiritual dimension in music and it is clearly the same here..... this is a magnificent representation of one of the most striking and powerful works written by any british composer of the younger generation..... this makes an outstanding first issue on **BMG's new CATALYST** label.*

edward greenfield gramophone september 1993

works by
monk*, **messiaen**, **gordon**, **ligeti**,
sherman*, **moran***

of eternal light
