Major (*Arizona State University*), Roumyana Slabakova (*University of Iowa and University of Southampton*), Bill VanPatten (*Michigan State University*)

EDITORIAL POLICY

Studies in Second Language Acquisition is a refereed journal devoted to problems and issues in second and foreign language acquisition of any language. Theoretically based articles reporting research studies are preferred. However, empirical investigations of the interface between SLA and language pedagogy, such as classroom interaction or the effects of instruction, will also be considered. Prospective authors should consult recent volumes of the journal as well as the "Notes for Contributors" published in each issue.
