

# LAND & LIBERTY

## ANARCHIST INFLUENCES IN THE MEXICAN REVOLUTION

**Land and Liberty: Anarchist Influences in the Mexican Revolution, Ricardo Flores Magon.** Edited by Dave Poole. Preface by Albert Meltzer. Illustrations. Chronology. Notes. Bibliography. Pp 156. Paper. £2.75

“... For people who only know the official history, this is a fascinating and beautifully documented book.”  
Colin Ward, *New Society*

“This work is a rare treat, especially so since it is largely a book of edited writings. But David Poole's succinct biography of Ricardo Flores Magon, his compilation of Magon's essays, and his synoptic history of Mexican anarchism are a credit to his sensitivity and to his overall grasp of anarchism and of its place in Mexican history.

Intended for the well-read student or partisan of libertarian movements and not for scholars, this work is more lively and fast-paced than its academic counterparts, and yet it shows the patience of a careful and highly skilled creator. It contains the finest collection of Flores Magon's writings yet seen in English. It also presents important evidence in support of the argument that Magon's influence within the working class and Mexican left between 1910 and 1920 was far stronger than we have previously recognised.

The combination of historical overview and poignant essays make this a worthwhile acquisition for scholars interested in Latin American social movements, students of the Mexican Revolution, as well as for libertarians.”

John M. Hart, *The Hispanic American Historical Review*

“... Photographs, graphics (comparable with the humane verve of Daumier and Grandville) and texts on the Mexican Revolution from the broadest rural anarchist standpoints of B. Cano Ruiz and of William Owen enhance this book. Evenings on the beach, “the poetry of the universe” sensed by Owen, permeate the writings of and about an individual who believed “to fight for leaders the most foolish of dreams”, and who perished like a sun, “diffusing light”.

Magon opposed a static order and harmony. He claimed social peace would ensure the loot of bandits in office. Dave Poole's Magonist chronology and reading suggestions conclude an inspiring journey to the utopia past, with resonances for Mexican and all far futures.”

# Rethinking Mexican History

## Progress, Revolution, and Reform

### **Disorder and Progress** **Bandits, Police, and Mexican Development**

By Paul J. Vanderwood

Taking as his premise that "order and disorder are created by humans to serve their needs and ambitions," Vanderwood traces the rise and fall of banditry in 19th-century Mexico and its interplay with the formation of the Rurales. Besides presenting fresh and valuable material on the Rurales, the study elucidates the constantly shifting balance between order and disorder and their relationship to political and economic conditions. ca. 272 pages, notes, bibliography, index, illustrated.

Paper BB 767 £3.30 tent.; cloth £8.20 tent.

### **The Reform in Oaxaca, 1856—76** **A Microhistory of the Liberal Revolution**

By Charles R. Berry

This study concerns the liberal revolution of 1856—76, known in Mexican history as *La Reforma*. Berry views the course of the Reform from the perspective of Oaxaca, one of the strongholds of liberalism that provided many leaders of the movement. This southern state was far enough removed from Mexico City that an analysis of events here does not lapse into an essay on the liberal revolution in the national capital. At the same time, Oaxaca was close enough to the epicenter of events that repercussions from happenings in Mexico City were strongly felt locally. Thus the area reflects the national Reform in many respects. xx, 282 pages, notes, bibliography, index, maps.

£ 8.20

### **Félix Díaz, the Porfirians,** **and the Mexican Revolution**

by Peter V. N. Henderson

In the decade between 1910 and 1920, Félix Díaz, the nephew of the dictator who was overthrown in the Revolution of 1910, tried repeatedly to establish himself as the legitimate head of the Mexican state. This study is the first full-length work to consider the role of Félix Díaz as a leader of the Porfirians—the diverse group who professed to subscribe to Porfirio Díaz's brand of 19th-century liberalism—during the Revolutionary period, and to assess his accomplishments and failures. xiv, 239 pages, notes, appendixes, bibliography, index.

# The Journal of American Studies

Sponsored by the British Association for American Studies

**Editor: HOWARD TEMPERLEY**

*University of East Anglia*

**Associate Editor: ARNOLD GOLDMAN**

*University of Keele*

The Journal of American Studies publishes work by scholars of various nationalities on American literature, history, institutions, politics, economics, geography and related subjects. Articles which cross the conventional borders between academic disciplines are particularly welcome, as are comparative studies of American and other cultures. It also publishes review essays, book reviews and, biennially, a list of doctoral theses on American topics in progress and completed at British universities.

## **Articles forthcoming in 1981 include:**

John Braeman: Charles A. Beard: The English Experience

James D. Essig: Connecticut Ministers and Slavery, 1790–1795

Valerie Fifer: Washington DC: The Political Geography of a Federal Capital

Dale T. Knobel: A Vocabulary of Ethnic Perception: Context Analysis of the American Stage Irishman, 1820–1860

Sanford E. Marovitz: Western Myth and Reality in Recent Criticism

M. Wynn Thomas: Whitman and American Democracy Before and During the Civil War

**Volume 15: April, August and December 1981**

**£21.00/\$59.00 per year      Single parts: £8.00/\$23.50**

**Members of BAAS: £10.50      U.S. Individuals: \$34.50**

**\$18.00** institutions

**RECENT BOOKS**

**The Bracero Experience: Elitelore versus Folklore**

Maria Herrera-Sobek

Contrasts the elite view of the Mexican bracero as downtrodden with his own more positive perception of life in the United States. Research in Mexico resulted in a composite bracero, Pedro, who personifies their collective story. The bracero experience is also depicted in the lyrics of folk songs composed by the bracero.

Cloth **\$12.95**

**Beyond the Milky Way: Hallucinatory Imagery of the Tukano Indians**

G. Reichel-Dolmatoff

Visions of the Tukano Indians of South America while in a drug induced state. These visions were found to contain cultural meaning that, metaphorically symbolized, served as effective reminders of lore and behavioral norms. The text contains color reproductions of visions drawn and analyzed by the Tukano artist.

Cloth **\$25.00**

**Political Ideology and Educational Reform in Chile, 1964-1976**

Kathleen B. Fischer

The major educational reform efforts of the Frei, Allende, and Pinochet governments are examined in terms of Maritainian humanism, Marxist-socialism, and national socialism. The relationship between the Church, political ideology, and educational reform is viewed as a dynamic process that reflects doctrinal attitudes as well as pragmatic considerations for consolidating and stabilizing power.

Cloth **\$14.95**

## **Coffee in Colombia 1850–1970**

An Economic, Social and Political History

**MARCO PALACIOS**

This book explores the history of Colombia as a coffee-producer, and the implications that coffee has had for economy, society and politics since the middle of the last century. This is the first work on the subject to appear in English. **£15.00 net**

*Cambridge Latin American Studies 36*

## **The Struggle for Land**

A Political Economy of the Pioneer Frontier in Brazil from 1930 to the Present Day

**JOE FOWERAKER**

A vivid and detailed account of the expansion of the agricultural frontier in Brazil during the last fifty years – an advance which has been characterised by widespread violence, legal chicanery and ruthless profiteering. **£20.00 net**

*Cambridge Latin American Studies 39*

Forthcoming (September)

## **Odious Commerce**

Britain, Spain and the Abolition of the Cuban Slave Trade

**DAVID MURRAY**

The author describes the changing nature of the Cuban slave trade during the last hundred years of its existence, and examines Britain's efforts to force the abolition of the slave trade on Cuba, Spain's most valuable plantation colony. **£19.50 net**

*Cambridge Latin American Studies 37*

## **Latin American Urbanization**

**DOUGLAS BUTTERWORTH and JOHN K. CHANCE**

Focusing on Brazil and the mainland Spanish-speaking countries, the authors examine rural–urban migration and migrant adaptation to city life. They suggest that the city and the forces that shape it cannot be understood in isolation from processes of national development and international dependency. **Hard covers £15.00 net**

*Urbanization in Developing Countries*

**Paperback £5.00 net**

## NOTES FOR CONTRIBUTORS

*Journal of Latin American Studies* is published twice a year under the academic sponsorship of the Centres or Institutes of Latin American Studies at the Universities of Cambridge, Essex, Glasgow, Liverpool, London and Oxford.

The scope of the journal is the study of Latin America from the standpoint of the social sciences, including anthropology, archaeology, economics, geography, history, international relations, politics, sociology, etc., though it is not concerned with linguistic or literary studies.

Editorial policy avoids commitment to any political viewpoint or ideology, but welcomes free discussion of such issues in the Latin American context, on the understanding that all responsibility for opinions expressed rests exclusively with the author concerned and not with either the journal or its editors.

Contributions are invited from all parts of the world. Articles should generally not be more than 8,000 words long, and two copies, typed with double-spacing, should be submitted. Diagrams and maps may be included by arrangement with the editors. The journal is published in English, but articles written in other languages may be considered, and arrangements made as required for translation into English. Contributors should keep one copy of the typescript for use in correcting proofs.

All contributions and editorial correspondence should be addressed to *Journal of Latin American Studies*, Institute of Latin American Studies, 31 Tavistock Square, London, WC1H 9HA.

Each contributor will receive, free of charge, 25 offprints of their article and a copy of the issue of the journal in which it appears.
