The International Committee of the Red Cross (ICRC), together with the League of the Red Cross Societies and the 128 recognized National Red Cross and Red Crescent Societies, is one of the three components of the International Red Cross.

An independent humanitarian institution, the ICRC is the founding body of the Red Cross. As a neutral intermediary in case of armed conflicts or disturbances, it endeavours on its own initiative or on the basis of the Geneva Conventions to protect and assist the victims of international and civil wars and of internal troubles and tensions, thereby contributing to peace in the world.
