

## CATHOLIC RECORD SOCIETY

The Catholic Record Society was founded in 1904 to make available the material necessary for the study of the Roman Catholic history of England and Wales since the Reformation. The Records series comprises transcripts of a wide variety of original documents, e.g., diaries, letters and biographies; legal, court and official papers; and records of old Catholic missions, seminaries, colleges and convents. In the Monograph series, well-known scholars present original historical analyses of Catholic recusancy over a prolonged period in a particular place. The unique collection of primary source material contained in these publications is indispensable to those engaged in political, diplomatic and social history. There are now some ninety volumes of Records and Monographs. The Society holds an annual conference to which all members are invited. The Society's annual report accompanies the May edition of *Recusant History*.

General correspondence should be sent to the *Chairman*: M. Hodgetts, 68 Goldieslie Rd., Sutton Coldfield, B73 5PG. Application for membership, correspondence on subscription matters and changes of address should be sent to Miss I. Parks, Magdalene Lodge, Wash Road, Laindon, Basildon, Essex SS15 4AZ.

## RECUSANT HISTORY

*Recusant History* is the journal of the Catholic Record Society and is published in May and October. One volume consists of four issues, starting in May of alternate years. A title-page and index for each volume accompanies the first issue of the succeeding volume. The October issue includes a Newsletter and Bibliography, comprising information on material of recusant interest published in other periodicals; theses; migrations and accessions of manuscripts; and other items of interest.

Authors or editors of texts whose length makes them more suitable for the Society's Monographs or Records Series than for *Recusant History* should write to the *Volumes Editor*: Dr. M. J. Broadley, 88A Manchester Road, Walkden, Manchester, M28 3LN.
