Managing Editors:

Professor Paul Collier University of Oxford Professor Jan Willem Gunning Free University, Amsterdam Professor Benno Ndulu African Economic Research Consortium Professor Ademola Oyejide University of Ibadan, Nigeria

Journal of African Economies is the first professional economics journal to focus on the continent of Africa. It is essential reading for consultants, policymakers, academics, and anyone with an interest in African economies.

With its powerful international editorial board, the Journal seeks to publish applied research of the highest standard, written in an accessible style. In addition to major articles, the **Journal of African Economies** carries a comprehensive book review section, and a listing of current working papers from around the world.

Recent and forthcoming articles

Christopher Adam

On the Dynamic Specification of Money Demand in Kenya

Ademoa Ariyo

An Assessment of the Sustainability of Nigeria's Fiscal Deficit, 1970-90
