**LAW ACROSS BORDERS**

*Law Across Borders*, a new series by Aspen Publishers, is being offered to professors who are looking to introduce an international perspective into their courses easily and confidently.

These new ancillary, typically 150-250 pages in length, will center around a single high-interest problem of international significance as it pertains to a specific course area. The problem orientation will offer a framework for asking fundamental questions and teaching your students how to think about international law issues. Each title in the series will be accompanied by Professor's Notes that explain how the author is using materials in their class.

**New Titles Available in 2009:**

- **Plea Bargaining Across Borders  
Civil Procedure**  
Jenia I. Turner
- **Climate Change and Property Rights  
A Casebook Complement**  
Hari Osofsky and Wil Burns
