The first (B.E. Atkinson) and last (P.A. Vernon) authors of the poster, “Humor and Borderline Personality” presented at the 16th International Congress on Twin Studies and the 4th World Congress on Twin Pregnancy in 2017, misappropriated the title and abstract without the permission of any of the other authors from an article published in 2015: Schermer, J. A., Martin, R. A., Martin, N. G., Lynskey, M. T., Trull, T. J., & Vernon, P. A. (2015). ‘Humor styles and borderline personality’. *Personality and Individual Differences*, 87(1), 158-161. <https://doi.org/10.1016/j.paid.2015.07.043>

In addition, the first author on this poster was not involved in the research. As such, the abstract should be retracted and not cited.
