## Ramus: Critical Studies in Greek and Roman Literature

### Editor

A. J. Boyle, *University of Southern California, USA*  
Helen Morales, *University of California, Santa Barbara, USA*  
J. L. Penwill, *La Trobe University, Australia*

*Ramus: Critical Studies in Greek and Roman Literature* is a journal of innovative literary criticism aimed at new analysis and interpretation of ancient Greek and Roman literary texts. It is intellectually pluralist, and offers its pages to the full range of contemporary theoretical positions and methodologies from Marxism, feminism, postcolonialism and social anthropology, to narratology, deconstruction and reception studies. It is, however, a journal of criticism, not of theory, and it is primarily concerned with original and significant elucidation of ancient Greek and Roman authors.

For further details about *Ramus* visit:

# Victorian Literature and Culture

## Editors

John Maynard, *New York University, USA*

Adrienne Munich, *Stony Brook University, USA*

*Victorian Literature and Culture* encourages high quality original work concerned with all areas of Victorian literature and culture, including music and the fine arts. The journal presents work at the cutting edge of current research, including exciting new studies in untouched subjects or new methodologies. Contributions are welcomed from internationally established scholars as well as younger members of the profession. Editors' Topics currently being developed: "Victorian India," edited by Mary Ellis Gibson and "The Nineteenth-Century Pacific Rim," edited by Tamara S. Wagner. Review essays form a central part of the journal, and offer an authoritative view of important subjects together with a list of relevant works that serves as an up-to-date bibliography. The Works in Progress section allows the communication of parts of major works well in advance of their final publication. The Special Effects section allows publication of primary materials either previously unavailable or unknown to most readers.

## *Instructions for Contributors*

### PREPARING YOUR MANUSCRIPT

Manuscript submissions to the journal should be between a maximum of 8,000 words, not including notes. On rare occasions, the editors will give consideration to a lengthier submission of exceptional quality. The text and bibliographic documentation of the manuscript must conform to the Chicago Manual of Style (CMOS), 16th edition. We require that authors use footnotes rather than endnotes and that they double-space the entire manuscript.

Manuscripts must have a separate title page that includes the author's name, affiliation, e-mail address, postal address, an abstract of no more than 150 words, a list of keywords, and an author bio of no more than 50 words. The author's name should appear nowhere else in the manuscript. All references to the author's work in the text or notes should be in the third person.

In the footnotes, full bibliographical documentation must be given in the first reference. For example:

Bill Ashcroft, Gareth Griffiths, and Helen Tiffin, eds. *The Post-colonial Studies Reader* (London: Routledge, 1995).

Eric Auerbach, "Philology and Weltliteratur," Trans. Edward Said and Marie Said. *Centennial Review* 13.1 (1969): 1–17.

Karin Barber, "Literature in Yoruba," *Cambridge History of African and Caribbean Literature*, eds. Abiola Irele and Simon Gikandi. Vol. 1. (Cambridge: Cambridge UP, 2011), 357–78.

Dipesh Chakrabarty, *Provincializing Europe: Postcolonial Thought and Historical Difference* (Princeton: Princeton UP, 2000).

Henry Louis Gates, Jr., "Tell Me, Sir, . . . What Is 'Black' Literature?" *PMLA* 105.1 (1990): 11–22.

In subsequent references use "ibid." when the reference is clear; in other cases, use a shortened version of the main title. (The journal's house style does not use "op. cit.>"). For example:

Ibid., 65–66.

Auerbach, "Philology," 12.

### SUBMITTING YOUR MANUSCRIPT

Send an electronic copy, along with a cover letter, to this address:

The Editor

Cambridge Journal of Postcolonial Literary Inquiry

pli@cambridge.org

In the cover letter, the author should state that the manuscript will not be submitted to another journal until PLI's evaluation is completed.

### PROOFS

Authors will be sent proofs via email. They should mark the PDF proof electronically or in hard copy and are requested to return their proof corrections by email within three days of receipt. Please let the Editorial Office know if you are likely to be away for any extended period at that time, or if the proofs should be sent to anywhere other than your normal email address. The publisher reserves the right to charge authors for excessive correction of nontypographical errors.

Individual articles will publish online ahead of print publication as a FirstView article. Articles are corrected and published online as soon as possible after they are corrected. This means that articles are published very quickly and publication is not delayed until they can be included in a print issue.

Authors of articles and review essays (but not book reviews) will receive a .pdf file of their contribution upon publication.
