*Friday, June 1st, 1962*—5.30 p.m. "Surgery of the lower œsophagus."—MR. GEORGE QVIST.

*Wednesday, June 6th, 1962*—5.30 p.m. "Clinical Pathological Conference."—DR. I. FRIEDMANN, DR. D. A. OSBORN.

---

### UNIVERSITY OF BAGHDAD

The University of Baghdad has asked the British Council to find British candidates for a number of posts in their Colleges of Medicine at Mosul and Baghdad. One of these appointments is for a Professor of Ear, Nose and Throat Diseases at the College of Medicine, Baghdad.

Anyone interested should communicate with the Director, Recruitment Department, The British Council, 65, Davies Street, London, W.1.

## General Notes

### NORTH OF ENGLAND OTOLARYNGOLOGICAL SOCIETY

“THE GEORGE SEED MEMORIAL PRIZE” (previously known as the “Fifty Guinea Prize”) will be awarded in 1962 for AN ORIGINAL PAPER on work in Otolaryngology carried out in the NORTH OF ENGLAND. The investigation must have been carried out during the tenure of a post as senior registrar, house officer, registrar or clinical assistant.

Entries (3 copies) should be sent, before June 30th, 1962, to:

The Honorary Secretary, North of England Otolaryngological Society,  
73, Rodney Street, LIVERPOOL, 1.

---

### FIRST BRITISH ACADEMIC CONFERENCE IN OTOLARYNGOLOGY

This will be held at the Royal College of Surgeons of England between June 16th and 21st, 1963.

There will be formal sessions at which invited speakers will read papers, and these will be discussed.

A special feature will be seminars and revision courses conducted for small groups by known authorities on various topics in our specialty and allied subjects. These will include the basic sciences.

Information about the Conference will be sent in due course to Otolaryngological Associations and Societies overseas, and members of these will be welcome as participants.

Further notifications will appear in this Journal from time to time.

---

### SIXTH INTERNATIONAL CONGRESS OF AUDIOLOGY

THE sixth International Congress of Audiology will be held in Leyden, The Netherlands, from September 5th to 8th, 1962.

President: Prof. Dr. H. A. E. van Dishoeck;

Secretary Drs. A. Spoor.

In the programme are planned three round-table talks, with associated and free papers.

The subject of the round tables are:

“Frequency analysis of the normal and pathological ear.”

Moderator: Prof. Dr. G. von Békésy.

“Central deafness in children.”

Moderator: Prof. Dr. J. M. Tato.

“Psychogenic deafness and simulation.”

Moderator: Prof. Dr. H. A. E. van Dishoeck.

Official languages of the Congress are: English, French, German and Spanish.

Working languages will be: English and French.

The address of the secretariat is:

Ear-Nose-Throat Department,  
Academisch Ziekenhuis,  
LEIDEN (The Netherlands).

## General Notes

### TEMPLE UNIVERSITY SCHOOL OF MEDICINE

PHILADELPHIA 40. PA.

A "Short course in Audiology" is offered several times each year by the Section of Audiology, Department of Otorhinology, Temple University School of Medicine, Philadelphia 40, Pa.

The course will be one week in length and will encompass theoretical and clinical aspects of audition. Hearing testing and interpretation will be stressed. Office procedures, equipment and Industrial Audiometry will be discussed.

Further information may be obtained by writing to Philip E. Rosenberg, Ph.D., Director, Section of Audiology, Temple University Medical Center, 3401 North Broad St., Philadelphia, Pa.

---

### BACK JOURNALS REQUIRED

If any subscriber can spare copies of the June 1957 and the August 1957 issues of the *Journal of Laryngology and Otology*, or the entire 1957 volume if necessary, the E.N.T. Department at Guy's Hospital would be very glad to hear from them.

---

### UNIVERSITY OF BORDEAUX—EAR, NOSE, THROAT DEPARTMENT

*Director Professor*—GEORGES PORTMANN

Functional Otological Micro-Surgery Post-Graduate Course, conducted by Michel Portmann, M.D. (Associate Professor). From July 2nd to July 11th, 1962.

During this period, every assistant attending the course will be able to watch surgical operations in the theatre, to follow theoretical courses illustrated with films regarding the major techniques, and to work on his own daily anatomical specimen with all the requisite material, including the binocular microscope.

The number of assistants is limited to 20, divided into two groups (Group I and Group II).

Applications should be sent to Docteur Michel Portmann, 45 cours du Maréchal-Foch, Bordeaux, France.

Fees: 185 dollars or 900 N. francs (to be paid at the Faculty of Medicine in Bordeaux at the beginning of the course).

## POST-TONSILLECTOMY COMFORT

### Immediate pain relief—Speedier Convalescence

The pain of traumatized tissues following tonsillectomy, demands its own relief—and points the need for analgesia that quickly reaches the irritated area.

ASPERGUM provides 'salivary analgesia' through the simple act of chewing — it brings pain-relieving acetylsalicylic acid into *intimate* and *prolonged* contact with the tonsillar

region, seldom reached even intermittently by gargling. The rhythmic stimulation of muscular action also aids in relieving local spasticity & stiffness: more rapid tissue repair is promoted. Each pleasantly flavoured chewing gum tablet provides  $3\frac{1}{2}$  grains acetylsalicylic acid, permitting frequent use. Particularly suitable for children.

# Aspergum (Category S)

for more than two decades a dependable  
and welcome aid to patient-comfort

*Ethically promoted in packages of 16 tablets and moisture proof bottles of 36 and 250*
