

This edition offers everything needed by the newcomer to this famous but intimidating text: images, maps, footnotes, and introductory essays by eighteen leading Joyceans.

“The Cambridge Centenary *Ulysses* is a brave and timely attempt to banish many of the fears that Joyce’s masterpiece causes for the ‘ordinary’ reader, if such a being exists - Joyce didn’t think so. Catherine Flynn and her team have done a welcome service of elucidation. And of course it’s a great pleasure to have the facsimile of the original text.”
