## PATRON

H.R.H. THE PRINCE PHILIP DUKE OF EDINBURGH, K.G., K.T., O.M.

## OFFICERS AND COUNCIL 1971-72

### PRESIDENT

Rear-Admiral G. S. Ritchie, C.B., D.S.C., F.R.I.C.S.

### VICE-PRESIDENTS

Group Captain D. F. H. Grocott, C.B.E., A.F.C., R.A.F.  
Captain A. J. R. Tyrrell

HONORARY TREASURER F. A. Haworth

### CHAIRMAN OF THE TECHNICAL COMMITTEE

H. E. Smith, O.B.E.

### CHAIRMAN OF THE MEMBERSHIP AND FELLOWSHIP COMMITTEE

Captain V. A. M. Hunt, C.B.E.

### MEMBERS OF COUNCIL

J. H. Beattie

Colin Mudie

Captain C. H. Cotter

Captain F. Ormonroyd, D.F.M.

S. S. D. Jones

P. G. Reich

Captain F. L. Main

R. B. Richardson

Captain R. Maybourn

Captain P. A. Thompson

EXECUTIVE SECRETARY M. W. Richey, M.B.E.

# CONTENTS

THE PRESIDENTIAL ADDRESS: INTERNATIONAL COOPERATION IN HYDROGRAPHY. G. S. RITCHIE . . . . .	2
TIME DATA AND NAVIGATION. H. M. SMITH . . . . .	13
THE NEW SYSTEM OF COORDINATED UNIVERSAL TIME. D. H. SADLER . . . . .	32
NAVIGATING THE <i>Osterley</i> , 1758–1760. W. E. MAY . . . . .	43
THE CASE FOR FULLY AUTOMATIC PLOTTING RADAR. F. J. WYLIE . . . . .	51
THE ECONOMICS OF TRAFFIC CIRCULATION. L. OUDET . . . . .	60
PORT AND TERMINAL NAVIGATION AND CONTROL. H. J. BRANDENBURG . . . . .	67
LOW LIGHT TELEVISION AND ITS APPLICATION TO NAVIGATION. R. J. CORPS and A. G. HICKS . . . . .	73
SIR WILLIAM THOMSON AND THE INTERCEPT METHOD. C. H. COTTER . . . . .	91
THE ROTTERDAM APPROACH CONTROL (Forum). R. B. RICHARDSON . . . . .	99
NAVIGATIONAL DISCIPLINE AT SEA (Forum). P. A. THOMPSON . . . . .	100
COLLISIONS INVOLVING VERY LARGE SHIPS (Forum). J. WATT . . . . .	103

COLLISION AVOIDANCE AND THE MARINER. J. F. KEMP . . . . .	511
COLLISION AVOIDANCE AT SEA, WITH SPECIAL REFERENCE TO RADAR AND RADIO-TELEPHONY. A. G. CORBET . . . . .	520
A BRIEF HISTORY OF THE METHOD OF FIXING BY HORIZONTAL ANGLES. C. H. COTTER . . . . .	528
STANDARD TIME (Forum). W. PALMER . . . . .	535
RECORD . . . . .	124, 537
REVIEWS . . . . .	126, 273, 419, 539

## THE ROYAL INSTITUTE OF NAVIGATION

**T**HE OBJECT of the Institute is to unite in one body those who are concerned with or who are interested in the science and art of navigation. Membership is not restricted to those who hold professional qualifications, but is open to others who wish to further the aims of the Institute.

By coordinating the knowledge and achievements of marine and air navigators, scientists and those associated with the development and production of navigational equipment, the work of the Institute is directed towards raising the standard of navigation. In the field of education it is the aim of the Institute to bring practical navigators into contact with teachers and research workers to increase a common appreciation of the issues involved. It is an object of the Institute to encourage research in equipment and methods; through its publications it gives a wide circulation to original work on navigation so that new developments and suggestions can be appreciated by those most directly concerned with them.

The activities of the Institute include the holding of monthly meetings to discuss specific problems, the publication of a Journal and of other works concerned with different aspects of navigation, and such other activities as the Council may deem necessary to promote knowledge in navigation and its associated sciences.

The *Journal of Navigation* is issued free each quarter to all members and contains a full account of the Institute's proceedings. It prints the papers which are presented at meetings, together with their ensuing discussion, and other original papers contributing to the science of navigation. It also contains a record of current navigational work, reviews of important books, and general papers of interest to navigators and those with similar interests.

The work of the Institute is coordinated with that of similar societies abroad, whose proceedings are available to members.

**Membership.** There are five classes of membership of the Institute:

(1) HONORARY MEMBERS, who shall be distinguished persons upon whom the Council may see fit to confer an honorary distinction.

(2) FELLOWS, who shall be members, of at least three years' standing who, in the opinion of the Council, have made a contribution of value to navigation.

(3) MEMBERS, who shall be persons over twenty-one years of age who can satisfy the Council of their interest in navigation.

(4) STUDENT MEMBERS, who shall be persons under twenty-five years of age studying with a view to making navigation, or an allied interest, their career.

(5) CORPORATE MEMBERS, who shall be companies, universities, navigation schools, government departments and other organizations, here and abroad, who are directly or indirectly interested in the science of navigation. Corporate Members are entitled to send representatives to all Institute meetings and to receive six copies of the *Journal*, and other publications. They are encouraged to take an active part in the Institute's work. Application should be by letter addressed to the Executive Secretary.

**Subscriptions.** Annual subscriptions to the Institute are payable in advance as follows:

Members and Fellows . . . . .	£5.25
Student Members . . . . .	£2.10
Corporate Members . . . . .	£42.00

The Institute's financial year begins on 1 July. Members in any category who are elected after 1 January in any year are only due for one half of their subscription until 1 July, when the full subscription for the next year becomes due.
