either	Professor John Paynter	or	Professor Keith Swanwick
	Department of Music		Department of Music
	University of York		University of London
	Heslington		Institute of Education

			LONDON WC1H 0AL

Material for review and review copy should be sent to the Review Editor:

Dr William Salaman, 79 Northcrofts, Nantwich, Cheshire, CW5 5SQ

SUBMITTED ARTICLES AND REVIEWS	Length	normally between 2,000 and 10,000 words.
	Format	when an article has been accepted for publication, the author is strongly encouraged to send a copy of the final version on computer disk (Apple Macintosh or IBM compatible p.c.) <i>together with</i> the hard copy typescript, giving details of the wordprocessing software used (Microsoft Word, Word or Word Perfect). However, the publisher reserves the right to typeset material by conventional means if an author's disk proves unsatisfactory. Manuscript to be typed in double-spacing on A4 or equivalent, one side only, with generous margins and consecutively numbered pages. Author's name should be given on a separate sheet (see Biographical note below) to facilitate the anonymous refereeing process.
	Abstract	about 100 words; summarizing the contents of the article; should be typed immediately below the title and above the main text. A note giving details of any acknowledgement should also be included.
	Biographical note	of c. 75 words giving author's name, postal address, affiliation, principal publications, etc. should be submitted on a separate cover sheet.
	Copies	2 copies of articles and one of reviews should be submitted and one retained for proof-reading.
	Language	writing should be clear, and jargon free; subheadings are helpful in long articles.
	Stereotyping	all forms of racial and gender stereotyping should be avoided.
	Abbreviations, acronyms	should be given in full at their first mention, bearing in mind that the readership of the journal is an international one, thus Postgraduate Certificate in Education (PGCE).

It is hoped that writers will take the opportunity to present musical examples on tape. Usually a cassette tape is produced once a year, normally following the third issue of the Journal. It will have a maximum duration of ninety-two minutes and may refer to articles in each of the issues.

SUBMITTED TAPES	Type	cassette or open-reel.
	Quality	the highest possible to facilitate transfer.
	Content	in final edited form.
	Examples	should not be numbered on the tape; a written numbered list of items, with timings, should be provided.
ACCEPTED ARTICLES AND REVIEWS	Proofs	writers have the opportunity, with a given deadline, of correcting essential factual errors and any printer's errors.
	Copyright	writers are responsible for obtaining necessary permissions to quote copyright material; writers will be requested to assign their copyright to Cambridge University Press.
	Offprints	25 free offprints are supplied to writers of published articles, these shared between joint authors; further offprints may be purchased if ordered at proof stage.
