THE BRITISH SOCIETY FOR THE HISTORY OF SCIENCE

Membership: The British Society for the History of Science welcomes members from all backgrounds, in the UK and internationally. Current members include academics, writers, students, museums professionals, schoolteachers and anyone with an interest in some aspect of the history of science, technology and medicine. Details of the annual subscription can be found on our website www.bshs.org.uk, or from the Executive Secretary at the address below.

Other BSHS publications: BJHS Themes is a fully open access, peer-reviewed journal for the history of science, which publishes annual thematic collections aimed at animating the history of science community. BJHS Themes is enabled by investment from the Society's Wheeler Bequest in collaboration with Cambridge University Press. Themes collections consist of insightful, original and timely studies that hit the historiographical moment. Articles are free to read online for all. Typically, issues are chosen through an open, annual competition.

Recent issues:

BJHS Themes (2018), 3, 'Worlds of Science for Children and Young People, 1830-1991', edited by Isabel Zilhão and Kristian H. Nielsen.
