## Instructions for contributors

### Editorial policy

*Urban History* occupies a central place in historical scholarship. Contents include research-based articles, historiographical and methodological surveys, and surveys of urban development in individual countries. As part of a major contribution to research, *Urban History* provides detailed bibliographical references for an average of 1,000 classified and indexed items, culled from monographs and edited collections, and from approximately 560 periodicals.

### 1. Submissions

Submissions from authors on all aspects of urban history are invited. Articles of a comparative or thematic nature are encouraged, as are articles which raise methodological issues, and those which seek to place the development of individual towns or cities in a wider framework. No historical period is excluded.

Articles submitted for publication should be sent to The Editors, *Urban History*, Centre for Urban History, University of Leicester, Leicester LE1 7RH, UK, or by email at [sg201@le.ac.uk](mailto:sg201@le.ac.uk) or [rhs4@le.ac.uk](mailto:rhs4@le.ac.uk) Authors wishing to submit articles on North American topics should contact Philip Ethington on [philipje@usc.edu](mailto:philipje@usc.edu)

Submission of a paper will be taken to imply that it is unpublished and is not being considered for publication elsewhere. Upon acceptance of a paper, the author will be asked to assign copyright (on certain conditions) to Cambridge University Press.

Contributors are responsible for obtaining permission to reproduce any material in which they do not hold copyright and for ensuring that the appropriate acknowledgements are included in their manuscript.

### 2. Manuscript preparation

Articles should be no longer than 8,000 words, inclusive of footnotes and tables, and should be double spaced throughout. A summary of 75 words should also be provided.

Further information and detailed 'Instructions for contributors' visit [www.journals.cambridge.org/uhy](http://www.journals.cambridge.org/uhy).

This journal issue has been printed on FSC-certified paper and cover board. FSC is an independent, non-governmental, not-for-profit organization established to promote the responsible management of the world's forests. Please see [www.fsc.org](http://www.fsc.org) for information.
