

## INSTRUCTIONS FOR CONTRIBUTORS

**SCOPE** Epidemiology and Psychiatric Sciences (EPS) is an international, peer-reviewed journal providing updated data and scientific information to epidemiologists, psychiatrists, psychologists, statisticians and other research and mental health workers primarily concerned with public health and epidemiological and social psychiatry. Priority is given to original research and systematic reviews about mental health service research, aimed to improve the quality of everyday practice. EPS is published quarterly (in March, June, September and December).

A full instructions to authors is available at: <http://journals.cambridge.org/eps>

### EDITORIAL POLICY

EPS publishes the following article types:

- Editorials in this Issue
- Editorials
- Special Articles
- Original Articles
- Letters

The Editor will also consider Methodological Contributions, Systematic Reviews and Meta-analyses.

The following Sections may also appear in the journal:

- Contemporary Outsider Art
- Epidemiology for Clinical Psychopharmacology
- Epidemiology for Behavioural Neurosciences
- Instruments

All submissions must be in English.

All submissions require the following statements: Acknowledgements, Financial Support, Conflict of Interest, Ethical Standards. Full details can be found on the EPS website <[journals.cambridge.org/eps](http://journals.cambridge.org/eps)>

All contributions are accepted for publication after external peer review.

### SUBMISSION OF MANUSCRIPTS

All papers submitted for publication should be addressed to the Editor:

#### **Professor Michele Tansella**

Department of Public Health and Community Medicine  
Section of Psychiatry  
University of Verona  
Policlinico G.B. Rossi  
Piazzale L.A. Scuro 10  
37134 Verona, Italy  
[michele.tansella@univr.it](mailto:michele.tansella@univr.it)

Please ensure that you copy Associate Editor, Professor Corrado Barbui into your submission:

#### **Professor Corrado Barbui**

Department of Public Health and Community Medicine  
Section of Psychiatry,  
University of Verona  
Policlinico G.B. Rossi  
Piazzale L.A. Scuro 10  
37134 Verona, Italy  
[corrado.barbui@univr.it](mailto:corrado.barbui@univr.it)

All submissions must be made electronically by email, with cc to Professor Barbui and include a covering letter. Submission of a paper will be held to imply that contains original work that has not been previously published and that it is not being submitted for publication elsewhere.

- All submissions must follow the style guide for submissions available in the full author instruction guide available online.
- If you require any further guidance on creating suitable electronic figures, please visit [http://dx.sheridan.com/guidelines/digital\\_art.html](http://dx.sheridan.com/guidelines/digital_art.html). Here you will find extensive guidelines on preparing electronic figures and also have access to an online preflighting tool where you can check if your figures are suitable for reproduction.

**PROOFS AND OFFPRINTS** Page proofs will be sent to the author designated to receive correspondence. Corrections other than to printer's errors may be charged to the author. All papers are published in their final version in the *FirstView* page of EPS before being printed. A final PDF will be sent to the corresponding author when the article is published.

Detailed instructions for authors can be found on the EPS website <[journals.cambridge.org/eps](http://journals.cambridge.org/eps)>

# Epidemiology and Psychiatric Sciences

## CONTENTS

### EDITORIALS IN THIS ISSUE, JUNE 2014

- Are community mental health services relevant in low- and middle-income countries?**  
Thornicroft G. & Tansella M. 115

### EDITORIALS

- Community mental health teams in low- and middle-income countries**
