

The Congress on Research in Dance (CORD) is an interdisciplinary organization with an open, international membership. Its purposes are 1) to encourage research in all aspects of dance, including its related fields; 2) to foster the exchange of ideas, resources, and methodology through publications, international and regional conferences, and workshops; 3) to promote the accessibility of research materials.

CORD is a non-profit, tax-exempt organization. Copies of the CORD financial and operating report, filed with the State of New York, are available upon written request from the New York State Board of Social Welfare, Charities Registration Section, Office Tower, Empire State Plaza, Albany, NY 12242 U.S.A.

Members of CORD have voting privileges, reduced rates at conferences, and special discounts on publica-

tions, and receive two journals and two newsletters each membership year, which extends from January 1 to December 31. Members whose dues are received in the CORD Office after March 15 will receive current publications unless no stock remains, in which case they will receive another recent issue. (Publication print-runs are based on current membership figures and include a limited number of over-runs projected to accommodate members who join after March 15.) To ensure receipt of publications, members are responsible for notifying the CORD Office of address changes in a timely manner.
