# The Canadian Almanac and Directory for 1952

*Edited by* MARSH JEANNERET

FOR over a century the Canadian Almanac and Directory has served as the standard reference work on Canadian affairs, both domestic and foreign. During that time it has grown from a small pamphlet into its present format of over eight hundred pages. Every one of its more than fifty-thousand listings is carefully revised each year, and its accuracy and completeness have established it as the standard reference directory in offices, libraries, and institutions whenever they require information relating to Canadian matters. A brief examination of the many and important lists of names of officials, post offices, institutions, etc., in the Dominion, will indicate the vast range of information it provides.
