The Contributors

Gottfried Haberler is Professor of Economics at Harvard. He is the author of *The Theory of International Trade and Prosperity and Depression*.

Hajo Holborn is Randolph W. Townsend Professor of History at Yale. His most recent book is *American Military Government*.

Bernard Brodie is Associate Professor of International Relations at Yale and an Editor of *World Politics*. He is the author of *Sea Power in the Machine Age*, and *A Guide to Naval Strategy*, and co-author of *The Absolute Weapon*.

Ruth Amende Rosa is working for the doctorate in Russian and Eastern European History at Columbia. From 1942 until 1946 she served with the Office of Strategic Services and as Special Assistant to the United States Ambassador in London.

William W. Kaufmann is Instructor in International Relations and a member of the Institute of International Studies at Yale. He is Assistant Managing Editor of *World Politics*.

Rupert Emerson is Professor of Government at Harvard. His article, "Reflections on the Indonesian Case," appeared in the first issue of *World Politics*. He has been Director of the Division of Territories in the Department of the Interior.

Willmoore Kendall is Associate Professor of Political Science at Yale. He has served in various government intelligence agencies and is the author of *John Locke and the Doctrine of Majority Rule*.

Thomas I. Cook has been Professor of Political Science at the University of Washington, and during the past academic year was Visiting Professor of Political Science at the University of Chicago. He is the author of *Political Philosophy from Plato to Burke*.

Correction: The review article by Louis Ridenour, Jr., published in the April issue of *WORLD POLITICS* under the title of "The Bomb and Blackett," was reprinted, with permission of the publishers, from *Scientific American* for March, 1949 (vol. 180, no. 3, pp. 16-19). This acknowledgment should have appeared originally at the bottom of page 395 in *WORLD POLITICS* (vol. I, no. 3).
