Abstracts of the
International Conference on Psychiatry
and Neurorestoratology (ICPN2022)
December 24, 2022
Zhengzhou, China

**Applied Psychiatry & Psychology, and Global Mental
Health Challenges under New Normal of COVID-19**

Guest Editor:
Professor Yongli Lou

The abstracts of the International Conference on Psychiatry and Neurorestoratology (ICPN2022), December 24, 2022 are published as a special supplement to *CNS Spectrums*.

Peer review process:

Abstracts were reviewed by the Local Organizing Committee of the International Conference on Psychiatry and Neurorestoratology rather than by the standard *CNS Spectrums* peer review process and should not be quoted as peer-reviewed by *CNS Spectrums* in any subsequent publication.

Disclaimer:

The abstracts have been published using author-supplied copy, with only minor editing made to correct spelling, style, and format where appropriate. No responsibility is assumed for any claims, instruction or methods contained in the abstracts and it is recommended that these be verified independently.
