

Language and Linguistics

Books and Journals from
Cambridge University Press

We are the world's leading publisher in language and linguistics, with a wide-ranging list of journals and books covering the scope of this discipline.

Our publishing encompasses theoretical, applied and sociolinguistics, and represents a breadth of subfields, including grammar and syntax, phonetics and phonology, semantics and pragmatics, historical linguistics, discourse and conversation analysis, psycholinguistics and neurolinguistics, and first and second language acquisition.

Our acclaimed book list includes state-of-the-art monographs as well as major reference works, guides to research methods, and textbooks at all levels.
