

## ERRATA

In the January issue (79/1), Figures 3, 4, and 7 of Béthoux et al.'s "New data on Paleozoic Grylloblattid insects (Neoptera)" were printed in the incorrect size. *JP* regrets the error.

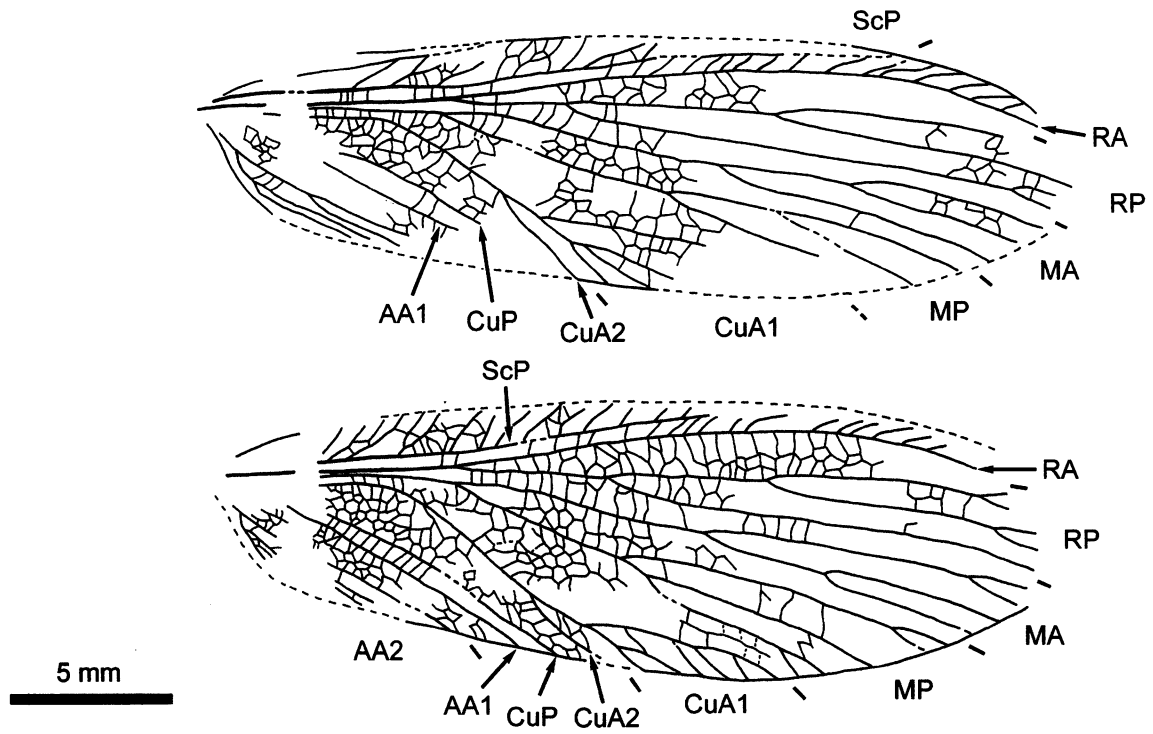

FIGURE 3—*Protoblattina bouvieri* Meunier, 1909a, holotype specimen MNHN-DHT-R52936 (part): reconstruction of the right forewing and left forewing (reversed; same individual; after Béthoux and Nel, 2002). Commentry, Allier, France; Stephanian B–C, Upper Carboniferous.

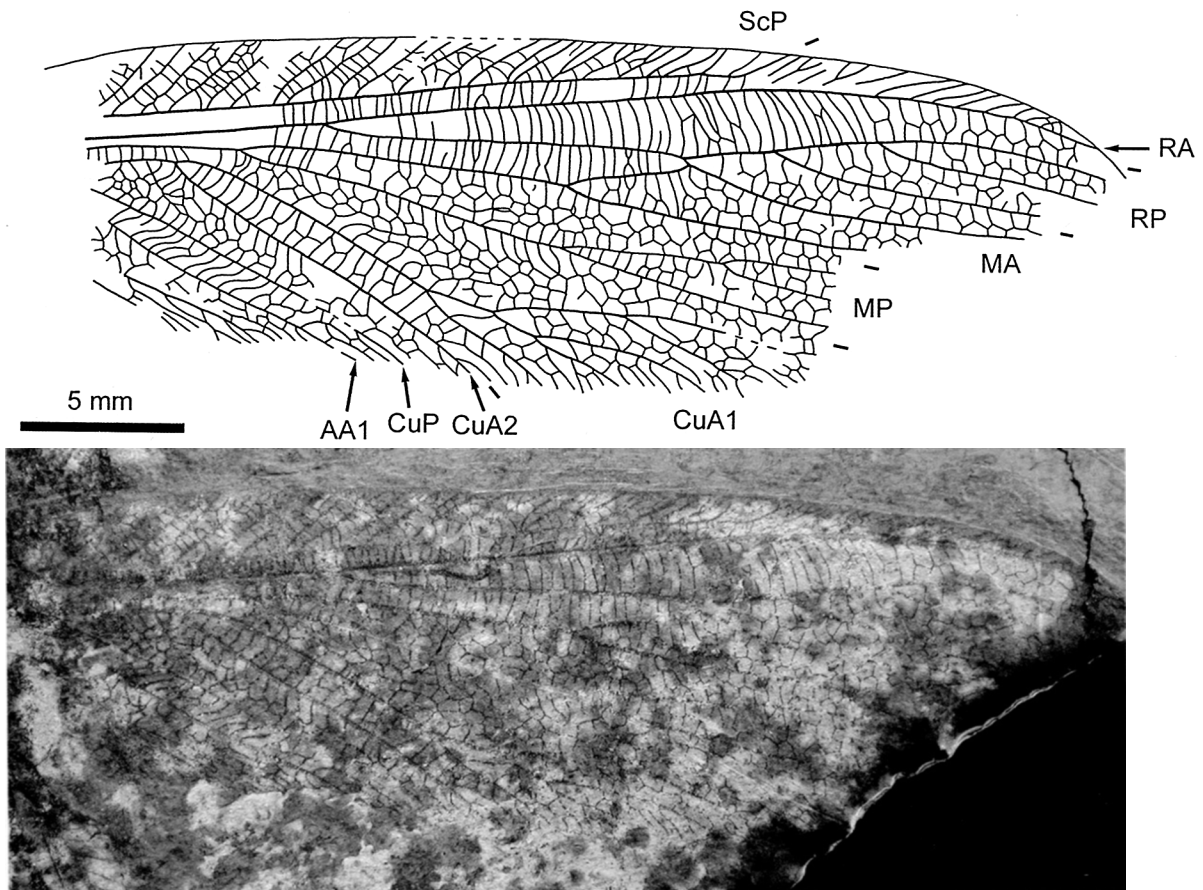

FIGURE 4—*Stenoneurites maximi* (Brongniart, 1893), holotype specimen MNHN-DHT-R51291 (counterpart): reconstruction and photograph (under alcohol). Commentry, Allier, France: Stephanian B–C, Upper Carboniferous.

FIGURE 7—*Palaeocixius antiquus*, holotype specimen of '*P. giardi*' species, n. syn., location unknown: photograph (by F. M. Carpenter). Commentry, Allier, France; Stephanian B–C, Upper Carboniferous.
