# New from Princeton

## **The Challenge of Global Capitalism**

The World Economy in the 21st Century

**Robert Gilpin**

---

Many individuals proclaim that global capitalism is here to stay. Robert Gilpin urges us, however, not to take an open and integrated global economy for granted. Rather we must consider the political circumstances that have enabled global markets to function and the probability that these conditions will continue. This is a magisterial inquiry into all major aspects of the contemporary world political economy.

“An authoritative review of the major aspects of today’s world political economy by the world’s leading political scientist working on the subject.”

—Robert O. Keohane, Duke University

Cloth \$29.95 ISBN 0-691-04935-1

## **The Globalization Syndrome**

Transformation and Resistance

**James H. Mittelman**

---

Here James Mittelman explains the systemic dynamics and myriad consequences of globalization. *The Globalization Syndrome* is among the first books to present a holistic and multilevel analysis of globalization, connecting the economic to the political and cultural, joining agents and multiple structures, and interrelating different local, regional, and global arenas.

“*The Globalization Syndrome* is an altogether outstanding work. . . . James Mittelman writes with a compelling moral passion for social justice, without sacrificing analytical vigor, and takes the reader on a journey to search for the causes of present trends.”

—Edward S. Greenberg, University of Colorado

Paper \$17.95 ISBN 0-691-00988-0

Cloth \$49.50 ISBN 0-691-00987-2

## Democratic Commitments

Legislatures and International Cooperation

**Lisa L. Martin**

Legislatures often interfere with national leaders' efforts to reach and implement predictable international agreements. In this thoughtful, empirically grounded challenge to the assumption that messy domestic politics undermine democracies' ability to conduct international relations, Lisa Martin argues that legislatures actually serve foreign policy well by giving credibility to the international commitments that are made. She concludes that—if institutionalized—even rancorous domestic conversations between executives and legislatures augment rather than impede states' international dealings.

Paper \$18.95 ISBN 0-691-00924-4

Cloth \$49.50 ISBN 0-691-00923-6

## Ruling the World

Power Politics and the Rise of Supranational Institutions

**Lloyd Gruber**

The last few decades have witnessed an extraordinary transfer of policy-making prerogatives from individual nation-states to supranational institutions. The notion that political institutions are mutually beneficial—that they would never come into existence, much less grow in size and assertiveness, were they not “Pareto-improving”—is today's conventional wisdom. But is it true?

In this richly detailed and strikingly original study, Lloyd Gruber suggests that this emphasis on cooperation's positive-sum consequences may be leading scholars of international relations down the wrong theoretical path.

Paper \$19.95 ISBN 0-691-01041-2

Cloth \$60.00 ISBN 0-691-01040-4

# We'll change your view of the world — and we'll do it for free.

WORLD POLICY JOURNAL — spirited, serious and compulsively readable. It's the compelling publication that actually makes sense out of today's most urgent social and political issues! Here's your chance to experience an issue FREE — and, if you like it, to stay with us at more than 33% savings.

## They're raving about WORLD POLICY JOURNAL!

- *The New York Times* calls it a "leading publication" devoted to international affairs.
- *The Nation* praises it "for being willing to question the fundamental assumptions of the establishment's post-Cold War consensus."
- *The Utne Reader* says, "Proving that lofty aims and a serious tone can coexist with lively writing and creative thinking, WORLD POLICY JOURNAL sets a new standard for intellectual journals."

### FREE-ISSUE ACCEPTANCE COUPON

**YES.** Send me the next issue of WORLD POLICY JOURNAL, and enter my subscription for a full year at just \$19.95. If WORLD POLICY JOURNAL isn't everything we've promised, I'll simply write "cancel" when I get your invoice, and keep that first issue FREE. Otherwise, I'll receive a total of four issues at more than 33% off the regular newsstand rate!

**AVAILABLE IN PRINT AND ELECTRONICALLY!**

The *International Encyclopedia of the Social & Behavioral Sciences* is the first attempt to map the social and behavioral sciences on a grand scale. Not since the publication in 1968 of the *International Encyclopedia of Social Sciences*, edited by David L. Sills, has there been such an ambitious project to describe the state of the art in all fields encompassed within the social and behavioral science

The content of the Encyclopedia is being shaped to reflect:

- the astonishing growth and specialization of knowledge that has occurred within the disciplines since the 1960s
- the rapid development of interdisciplinary fields in tandem with the expansion of interest in policy and applications
- the internationalization of the research endeavor in response to the dynamics of globalism
- the impact of the computer and information revolutions on theory and practice within the social and behavioral sciences
- the new web of connections between the social and behavioral sciences on the one side and the biological life sciences on the other.

The Encyclopedia will be an essential resource for anyone studying and teaching within the social and behavioral sciences at the start of the new century

Be sure to visit the Encyclopedia website regularly at:

Published since 1951 by the International Political Science Association (**all back volumes are available**), the *Abstracts* is a **major source of bibliographic information in political science**. It publishes abstracts of articles in specialized and non specialized periodicals, including major yearbooks. Articles in English are abstracted in English; those in other languages (about one fifth of the total) are abstracted in French, with all titles translated into English. In 1999 it published 7,434 abstracts from nearly 1,000 journals, in six issues. Each issue carries a **detailed subject index** (cumulative for all previous issues of the same year) and a list of the periodicals examined. The final issue of each volume also provides an **author index**.

**SPECIAL INTRODUCTORY OFFER :  
FREE EXAMINATION COPY  
TWO YEARS AT HALF PRICE  
PLUS ONE BACK VOLUME FREE**

For volumes 49 (1999) and 50 (2000), new institutional subscribers are granted a 50 percent reduction, and pay only US \$ 208 per volume, instead of approximately US \$ 416 (the equivalent of French francs 2,540). Payment may be made for volume 50 only, or for both volumes 49 and 50. On request, new subscribers will receive all issues of volume 48(1998) as an introductory present. They can order all **back volumes** at half-price. Do not hesitate to request a **free examination copy**.

**NOW ALSO AVAILABLE ON CD-ROM**

**International Political Science Abstracts on CD-Rom**, with data from 1989 to the present, contains 72,000 records. The database is updated three times a year.

JOURNAL OF

# Cold War Studies

Edited by Mark Kramer, Harvard University

The *Journal of Cold War Studies* features peer-reviewed articles based on archival research in the former Communist world and in Western countries. Articles in the journal draw on declassified materials and new memoirs to illuminate and raise questions about numerous theoretical concerns: theories of decision-making, deterrence, bureaucratic politics, institutional formation, bargaining, diplomacy, foreign policy conduct, and international relations. Using the latest evidence, the authors subject these theories, and others, to rigorous empirical analysis.

✦ ✦ ✦

## Articles featured in Volume 1 include:

*The Early Post-Stalin Succession Struggle and Upheavals in East-Central Europe: Internal-External Linkages in Soviet Policymaking* **Mark Kramer**

*Ideas, International Relations Theory, and the Cold War* **Nigel Gould-Davies**

*Ethnic Cleansing and the Outbreak of the Cold War* **Philipp Ther**

*Rollback, Liberation, Containment, or Inaction? A Reassessment of Western Policy toward Eastern Europe* **Laszlo Borhi**

*Soviet Ukraine and the Origins of the Cold War: Anti-Communist Insurgencies and Western Policy* **Jeffrey Burds**

*Spheres-of-Influence Dynamics in 1968: NATO's Response to the Czechoslovak Crisis* **John McGinn**

✦ ✦ ✦
