## **Yearbook of the United Nations**

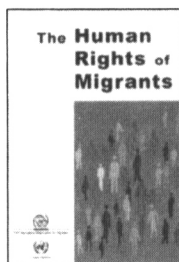

The *Yearbook of the United Nations*, comprehensive and reliable, details the many activities of the Organization and its organs, programmes and bodies in 1999. It provides an overview of the major challenges the Organization has addressed in a variety of areas, be they political and security, human rights, economic and social, legal or administrative and budgetary. This is a valuable resource for those with a serious interest in international and United Nations affairs.

<b>The Myth and Reality of Transboundary Environmental Impact Assessment</b>	
<i>John H. Knox</i>	291
Conventional wisdom holds that the duty to conduct a transboundary environmental impact assessment is a corollary of the customary obligation to prevent transboundary environmental harm. But the author argues that transboundary EIA, as it is developing in regional agreements, is actually an application of the often underestimated principle of nondiscrimination.

## THE AMERICAN SOCIETY OF INTERNATIONAL LAW

The American Society of International Law was organized in 1906 "to foster the study of international law and to promote the establishment and maintenance of international relations on the basis of law and justice." Society membership is open to all persons of any nationality and profession who are interested in its objectives. Dues are: regular, \$150; special category, \$100; new professional, \$75; retired, \$100; student, \$25. Sustaining Memberships—contributing (\$250) and patrons (\$10,000)—are also available. Corporations may join ASIL as institutional members (\$2,000). The Society is incorporated by Act of Congress approved September 20, 1950 (64 Stat. 869).
