New from Princeton

Boilerplate

The Fine Print, Vanishing Rights, and the Rule of Law Margaret Jane Radin

"This beautifully written and persuasively argued book tackles an immensely important and timely topic: the increasing use of boilerplate or standard form contracts in the provision of goods and services. It will receive much attention for its diagnosis of problems that boilerplate contracts present and for its imaginative canvassing of possible legal and regulatory responses."

-Michael Trebilcock, University of Toronto Faculty of Law

Cloth \$35.00 978-0-691-15533-3

Why Tolerate Religion?

Brian Leiter

"Think you understand religious toleration? Think again. Brian Leiter's bracing argument moves deftly from the classics of political philosophy to the riddles of modern case law, demolishing old nostrums and sowing fresh insights with each step. Every reader will learn something from this remarkable book, and, beginning now, every serious scholar of religious toleration will have to contend with Leiter's bold claims." —Christopher L. Eisgruber, Princeton University

Cloth \$24.95 978-0-691-15361-2

Lawyers and Fidelity to Law

W. Bradley Wendel

"This ambitious project is carefully executed and trenchantly defended. The book is especially good when confronting cases in which fidelity to the law appears to lead to perverse outcomes, such as encouraging obedience to unjust laws or making disobedience to unjust laws more difficult." —*Choice*

Paper \$22.95 978-0-691-15621-7

Edited by JONATHAN GOLDBERG-HILLER and DAVID JOHNSON

Published on behalf of The Law and Society Association

Founded in 1966, *Law & Society Review (LSR)* is regarded by sociolegal scholars worldwide as a leading journal in the field. *LSR* is a peer-reviewed publication for work bearing on the relationship between society and the legal process, including:

- articles or notes of interest to the research community in general
- new theoretical developments
- results of empirical studies
- and reviews and comments on the field or its methods of inquiry

Broadly interdisciplinary, *Law & Society Review* welcomes work from any tradition of scholarship concerned with the cultural, economic, political, psychological, or social aspects of law and legal systems.

Edited by EMMA R. NORMAN and DAVID MENA

Published on behalf of the Policy Studies Organization and several additional organizations

Politics & Policy presents peer-reviewed articles across a wide range of major disciplines and subfields spanning the entire political science and policy studies spectrum, including public policy, political science, political history, political sociology, public administration, and international relations. It seeks to bring together research of a contemporary nature on these topics from a variety of disciplines and international perspectives.

Review of Policy Research

The Politics and Policy of Science and Technology

Edited by CHRISTOPHER GORE

Published on behalf of the Policy Studies Organization and the APSA's Organized Section on Science, Technology, and Environmental Politics

The *Review of Policy Research (RPR)* is an international peer-reviewed journal devoted to the publication of research and analysis examining the politics and policy of science and technology. These may include issues of science policy, environment, resource management, information networks, cultural industries, biotechnology, security and surveillance, privacy, globalization, education, research and innovation, development, intellectual property, health and demographics. The journal encompasses research and analysis on politics and the outcomes and consequences of policy change in domestic and comparative contexts.

The audience for *RPR* comprises members of the academic community, as well as members of the policy community, including government officials, NGOs and advocacy groups, research institutes and policy analysts.
